**WE ASSIGNED YOU AN EMPLOYER IDENTIFICATION NUMBER**

Thank you for applying for an Employer Identification Number (EIN). We assigned you EIN 20-4716021. This EIN will identify your business account, tax returns, and documents, even if you have no employees. Please keep this notice in your permanent records.

When filing tax documents, please use the label we provided. If this isn't possible, it is very important that you use your EIN and complete name and address exactly as shown above on all federal tax forms, payments and related correspondence. Any variation may cause a delay in processing, result in incorrect information in your account or even cause you to be assigned more than one EIN. If the information isn't correct as shown above, please correct it using tear off stub from this notice and return it to us so we can correct your account.

Based on the information from you or your representative, you must file the following form(s) by the date(s) shown.

Form 941

07/31/2006

If you have questions about the form(s) or the due dates(s) shown, you can call or write to us at the phone number or address at the top of the first page of this letter. If you need help in determining what your tax year is, see Publication 536, Accounting Periods and Methods, available at your local IRS office or you can download this Publication from our Web site at [www.irs.gov](http://www.irs.gov).

If you believe your yearly employment taxes will be \$1,000 or less for the tax year (average annual wages of \$4,000 or less), please contact us on 1-800-829-0115. You will be required to file Form 944, Employer's Annual Federal Tax Return, rather than Form 941, Employer's Quarterly Federal Tax Return. This return will be due annually, on January 31, following the end of the tax year. You can pay your tax liability annually when you file your return, or you may choose to make more frequent deposits to reduce the balance due with your annual return. If you use a Reporting Agent or Tax Practitioner, inform him or her of your Form 944 filing requirement. If your annual liability rises to \$2,500 or more, you will be required to make deposits. If you do not make the required deposits, you may be subject to penalties and/or interest. Please refer to Publication 15 (Circular E), Employer's Tax Guide, for deposit requirements and for more details on the Form 944 annual filing program.
